

Kawara News

Our vision is to share the gospel of Jesus Christ with the village of Kawara, Burkina Faso, West Africa, establish a Church for the maturing of believers as well as encouraging community development through education, medical care/training, and vocational training.

Dear Friends,

Take a look at what the Lord has done in Kawara!

After starting with an act of faith and just a little money last December, the construction of the first classrooms for the High School got underway. In January a large donation came in so that the building is now well advanced. Presently we are making the estimates for the remaining work on the building; doors, windows and roofing. The builders we started with will not complete this work as they have shown themselves to be strongly aligned in the camp of the enemy. We are praying and looking for a Christian brother who can complete the construction to the governments' standards.

Foundation, January 2014

Four classroom building April 2014

In February the literacy course in the Jula (Doula) language was started. The whole Church and some others from the village are attending so that they can learn to read, write and do simple mathematics in this language. There are various inspectors coming periodically to check up on the instructor and student progress. We hear that among the literacy projects in the area, this one is really doing well. Amen.

PRAYER & PRAISE

***Praise** the Lord for his provision for the building of the High School. Also for his protection in the face of the opposition from those who work with the enemy.

***Praise** the Lord for the start of the literacy course which will enable the people to read the Bible.

***Praise** the Lord for the witness of his love and mercy to the villagers.

***Pray** that we will locate the right builder to complete the work on the school.

***Pray** for those in the literacy class that they will excel in their learning.

***Pray** that those who have heard the word of truth concerning Jesus, will turn their hearts to the Lord and be reconciled with the Father.

***Pray** for our continued protection. Several snakes have recently been killed in our compound. An extremely venomous one hid in the bricks, we prayed and Abraham finally killed it.

Ride your bike to school. The school house, teacher and class.

In April, Abraham projected "The Passion of Christ" in the local market place. Thousands of villagers came out to see the film. The new equipment is really a blessing as large crowds can see and hear. Thank you for being a part of seeing Jesus announced to this area of Burkina Faso.

We declare the Kingdom of God.
