

Kawara News

Our vision is to share the gospel of Jesus Christ with the village of Kawara, Burkina Faso, West Africa, establish a Church for the maturing of believers as well as encouraging community development through education, medical care/training, and vocational training.

Dear Friends,

A long awaited trip to Kawara over the past weekend was an event that brought smiles and thanks from our hearts for what the Lord has done and is doing. The builders have finished another phase on the High School. Now we are ready to put the stucco on the outside, paint the classrooms and build some latrines. We are planning to start the first class next fall, equivalent to 7th grade in USA/Canada.

PRAYER & PRAISE

***Praise** the Lord for the new believers and new attenders in the Church family.

***Praise** the Lord for the advances on the school building.

***Praise** the Lord for the solar system installed in the house, providing us with electricity.

***Pray** that our request for the school to be recognized by the government will have a positive outcome.

***Pray** for the finishing touches on the school. During our recent fund raising we received \$14,481 of the \$40,000 we were requesting for building and start-up of the school. We are thankful for what has come in and keeping our continued needs before the Lord.

***Pray** for the continued spiritual growth of those who have come to know the Lord and for their witness to the whole village of God's grace.

The before and present look of the school.

Inside the classroom; blackboard, & elevated place for the teacher and desk. The blackboard will get a coat of black paint.

Abraham & Yacouba in the school

We are beginning the process of registering our school with the government but in this system we can begin holding classes before the final papers are in hand.

The Church family in Kawara has been growing, with three new families attending. We were 25 last Sunday plus the children. It was evident that the literacy class held last year is helping people to be able to read the Bible, how wonderful. There is a new believer, Peter, whom the Lord touched very dramatically, bringing him out of darkness. The Lord has gifted this man with composing new songs to the Lord which have powerful wording. He is a great addition to the community.

Thank you for your sustaining prayers. The Lord's victory abounds and we are witnesses to his power and grace.
