

Kawara News

Our vision is to share the gospel of Jesus Christ with the village of Kawara, Burkina Faso, West Africa, establish a Church for the maturing of believers as well as encouraging community development through education, medical care/training, and vocational training.

Cut out and use as a prayer book mark

Dear Friends,

In October our first school year at the school Betzeleel started.

Three classes, grades seven, eight and nine are pictured here.

Many of these students have had to delay their secondary

education due to a lack of schools in the area. We are very happy to provide this opportunity for them to go on in their studies now. We still have need of a French/English teacher.

The bucket system outside the classrooms is to help keep good hygiene and is required by the government. The construction of the remaining buildings for the campus will continue as finances are made available.

PRAYER & PRAISE

***Praise** the Lord that this first school year has begun.

***Praise** the Lord for the school staff we have hired.

***Praise** the Lord that these students and their families have this opportunity for higher education

***Pray** for a language teacher to join the staff.

***Pray** for Abraham as he continues to watch over the needs of the school and church in Kawara.

***Pray** that the students would not only have a very successful year of learning but have their hearts and minds opened to the love of the Lord.

***Pray** for Joanie as she prepares to return back to Burkina at the beginning of December.

***Pray** for Abraham's nephew, Joel, who was recently diagnosed with a type of blood cancer and must be evacuated to Ivory Coast. Pray for Abraham as he seeks to help his family in the best way possible.

We are continuing a search for the right vehicle to replace the truck which has served us well for sixteen years.

During these past months Joanie has been helping her parents as they sold their home. They have now settled into a new apartment. Praise the Lord for this provision.

Another provision is a new treasurer for WADM. Welcome to Sue Olson. The Lord bless you in your service to us and to Him.

Sending an End of the year gift? Please make sure it arrives into our P.O. Box by the end of December. This helps us keep our records straight for tax purposes. Thank you for making this effort.

We are always blessed at how the Lord supplies through his family. Thank you again for participating with us to see the people of Kawara reached for Christ and strengthened through development.

Joanie will be heading back to Burkina Faso on December 1, to continue working with the ministry there.

We are always grateful for your prayers on our behalf.

Persevering by grace and faith,
Joanie Peterson
